Academic and Work Experiences

<i>Jul/2022</i>	Entrepreneurship: Business Camp with Daymond John held at Stanford University Participated in an intensive entrepreneurship immersion program that included lectures, conversations and mentorship with Shark Tank's Daymond John. In teams, the participants developed creative problem solutions based on needs found by interviews within the university community. After brainstorming, researching and presenting the ideas to the shark and peers, Mr. John gave his feedback. Awarded by Daymond John for outstanding Project achievements for highest viability and for most innovative solution of the camp.
<i>Jul/2025</i>	Inventory and Operations Summer Intern at Nutty Bavarian - Developed an Excel spreadsheet to consolidate supplier orders and sales, converting multiple products with various items into a comprehensive list of raw materials and packaging; - Monitored material inflows and outflows, ensuring inventory accuracy and identifying potential discrepancies; - Streamlined the inventory verification process, reducing rework and increasing data reliability.
<i>Dec/2025 - Present</i>	Member at Poli Finance - Placed 1st in the Academic Training and 1st in the Equity Research Training, with an analysis of Grupo Fleury. - I am part of the group's External Communications team and head of the Introduction to the Financial Market Course team.
